PANCAKE DAY! It's time to get messy in the kitchen! You can help a parent in the kitchen with this recipe or you can make your own using Bigjigs groceries and a sprinkle of imagination!

- 1 Start by pouring your flour and sugar into a big bowl! Stir them up really well then add the egg! Be careful eggs can be really messy! Ooops!
- 2 Next add in your Milk, but pour it in really slowly!
- 3 Stir it really well so there's no lumps!
- 4 Now it's time to turn the cooker on! Remember this gets hot so be really careful!
- 5 Pour some of your yummy mixture into the hot pan and wait until you can see bubbles!
- 6 Once you can see little bubbles it's time to flip it! This is the fun part, be really careful!
- 7 Let it cook on both sides then place it on a plate.

Now you can cover it in honey, chocolate or even fruit!
